During a two week experimental basis masses were offered during recess. Along with the liturgies during recess there were also morning masses before the start of school.

At the beginning of the year, the mass of the Holy Spirit was held in the gym, the mass was attended by the whole student body.

SHUTTERBUGS

The Camera Club of this year under the direction of Mr. Tom Neupert S.J. was a year of first's. It was the first time the school's camera club did their own color printing; it was also the first time any one person logged over fifty hours in the dark room.

The Camera Club officers are Keith Taylor, President; Joe Ulowetz, Vice-President; and Jim Feehan, Secretary-Treasurer.

Keith Taylor and Matt Bartmess were the two willing souls who devoted many hours of dark room work to color printing, with Matt Bartmess working fifty hours during one week.

CHEERS

To be sure of an excellent spirited year, the cheerleaders spent a week of intensive cheering at a national cheerleading clinic held in Portland, Oregon. The Cheerleaders came back with a totally new concept in cheerleading and all were prepared for a full year of cheering.

This year, the cheerleaders brought some new dimensions to their office. Some of the new ideas involved starting an all boys Pep Club and raffling off the cheerleaders and cheerboys for an evening out.

Although, all the cheerleaders agreed that cheering for a winning team was great, there was quite a lot of work to do behind the scenes. After practicing all week long, the real work began. Before every game, signs had to be made and pep cons prepared.

FOOTBALL

The Bullpups got off the season with a bad start with Ferris, losing 27-21, but retaliated in the next game, tromping Rogers 61-6. The Pups continued this show of power through the season, with the excellent quarterbacking of Nate Swagel and Steve Cronin aided by the fantastic running of backs, Tim Lappano and Joe Hare plus the great kicking efforts of Tom Hodl and Brian Moreland.

The Bullpups continued their winning streak with a 28-7 victory over the North Central Indians. The following week spirits ran high when the Bullpups trounced Shadle Park 62-14. Lewis and Clark was the Pups next opponent and the outlook was doubtful as to whether or not the Bullpups could defeat LC, for our opponents were undefeated. The game was close but the Bullpups took the Lewis and Clark Tigers 20-14 which created a tie for first.

As the second half of the season began a proud Bullpup team had revenge in their eyes as they took the field against Ferris; demoralizing the Saxons by the score of 44-13. The following Following Friday night Rogers was clawed by the mighty "Blue Machine." The North Central game G-Prep showed shades of overconfidence and preserved a 24-21 win. In the final game Tim Lappano set the single season rushing record and also scored three touchdowns as Prep rolled past the Highlanders (38 to 13).

Tim Lappano became the all-time scoring and rushing record holder for a single season with 120 points and 1,299 yards rushing.

Aiding with the city champoinship this year, Gonzaga Prep placed eight outstanding players on the 1974 All-City team. The following players made the All-City team; Tim Lappano, Rob Ahlquist, Brian Butler, Jim Gaston, Joe Hare, John Bozo, Jeff Jones, and Terry Anderson.

B-SQUAD TIES FOR FIRST

The B-Squad which tied for first in the city and had a 5-2 record under the first year of Mr. Pederson opened its first game against Rogers and roared past them for a 36 to 6 win. The following weeks Prep pulverized, smashed and demoralized their opponents with such scores as 45-6 against North Central, 23-13 (Shadle) and 30-13 against Lewis and Clark.

The second half of the season saw the B-Squad lose)with some disputed calls) to Ferris, who sneaked past Gonzaga with a 6-0 victory. The next two weeks Gonzaga fought back with a revengeful attitude, with two consecutive wins. The first against North Central (7-3), and the second against Rogers (27-0). The final game the "Big Battle with Shadle" as Coach Pederson put it, if won would have clinched the city title, however, they settled for a tie with S.P.

Coach Long prepares winning strategy.

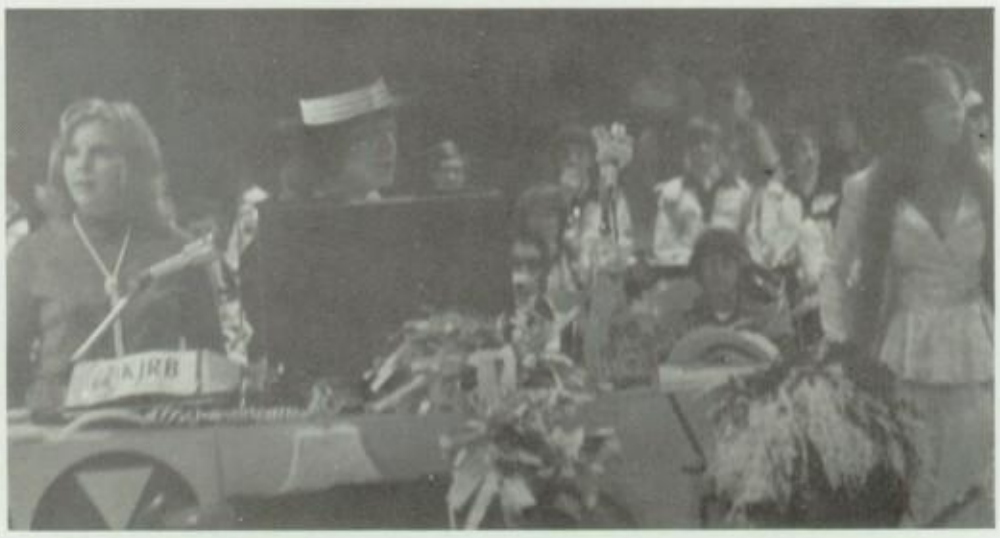
In his three years here at Prep Mr. Long, the head coach of the Freshman football team, has produced three champoinship teams.

The Freshman team established a 4-1 season record with their only loss to North Central (8-6). The offense of the Frosh team scored an amazing 59 points while the powerful Bullpup defense gave up only 22 points.

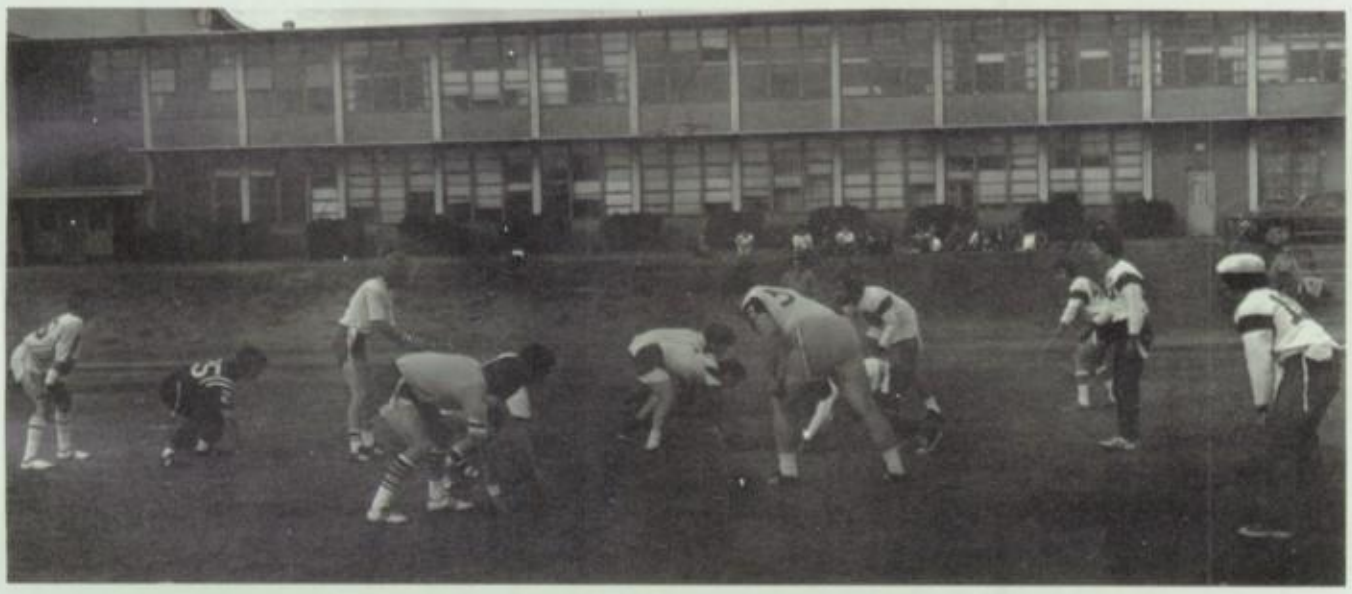
Frosh standouts included Joe Feist, H.T. Higgins, Paul Kachel, and Tim Davey who were instrumental in the Frosh city championship.

This amazing record could not have been achieved without the superb assistant coaching of Mr. Falkner, Fr. Goldian, and John VanVoorhis.

SPIRIT!



This year, spirit week was compressed into one day rather than held throughout the whole week. Spirit day was similar to years past however the Pep con this year set new precedents in spirit week tradition. Some five hundred seventh and eight graders, along with the Marycliff, HolyNames and Gonzaga Prep student bodies attended this year's spirit day pep con. Included in this day of mass hysteria and pandemonium were contests in pie eating and bike racing and human pyramid building. Capping this illustrious day off was a pep con with Barney Cantrell, the satirized disc jockey who after insulting our school and football team, barely escaped with his life. The new features this year were the inclusion of girls at the con and in the pyramid and pie eating contests.



VARSITY TENNIS

The 4-6 record of the tennis team, coached by Mr. Perley, doesn't show the true grit and determination of the team. The real capabilities showed through when Mike Hogan, Mike Malony and the doubles teams of Tombari-Slatt, Cooney-Murphy placed in the Semifinals of the City Tournament.

This Year's powerful B-squad showed skill and talent as they tied for second with a 5-3 record. This team had new faces as well as old with only one senior, Brad Leland. This Year's squad shows great promise of taking city within the next two years.

Stamina and endurance were again the standbys of the highly dedicated and spirited Cross Country team. Led by Mr. Gilles the team's record of 0-8 did not reflect the team's all out effort and ability. Out of a six man team two were not seniors, these were: Dennis Huss, Jr. and Rick Tanaka, Soph. The seniors on the team were Mark Duclos, E.J. Gilmartin, Sam Piccolo, and Dave Tanaka.

B-B CHEERS

Cheering and spirit are essential to a winning season. The basketball cheerboys added acrobatics to their wide and varied repertoire of cheering skills.

In order to produce revenue, the innovative cheerleaders staged a 50's dance at Holy Names. Two local disc jockeys, Bruce Cannon and Bruce Murdock, served as emcees. Dance contests and free refreshments highlighted the evening.

The duties of the cheerleaders, in addition to attending home games, consisted of cheering at road games, special acrobatic stunts, and devising new cheers. Altogether, these activities contributed to a busy schedule for the basketball cheerleaders of 1974.

ROOKIE COACH . . . OUTSTANDING

This year's 1974-75 Varsity Basketball team with many returning lettermen and under the outstanding direction of Mr. Ronald Donovan, surprised city league foes by tying for first place and from there, making it to the competitive district playoffs.

This year's team was paced by all-city players, Terry Anderson and Terry Kelly. Terry Anderson was the leading rebounder on the team and second in the league, while Jeff Ager, the Super Soph, led the team in field goal percentage.

This year's team has again proven that we are winners with an impressive compiled record of 16 wins and 7 defeats.

J.V. B-BALL

This year's J.V. basketball team showed outstanding ability in every part of the game. Under the direction of Mr. Phil Kuder, the Zag's shooting, rebounding, and defensive performance was quite impressive. Dan Thacker, the team captain, led his team to 2nd place in the city league. Steve Stockton and Marty Mitzenburg led the team through the season with great defensive talent. Fred Valentine was the top rebounder and scorer for the Zags. Tom Simpson showed fine ability in driving the ball to the inside. The J.V.'s finished second in the City League with a 15-5 season. Through the fine talent displayed by the entire team, the J.V.'s finished their hard fought season with the finest record in years.

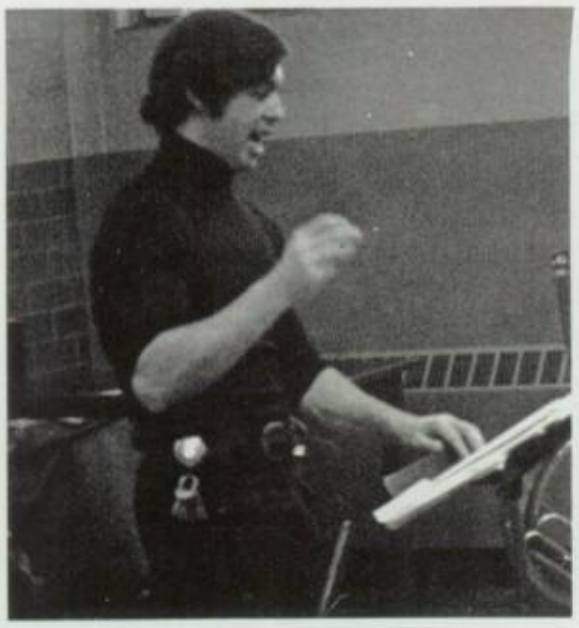
GLEE CLUB



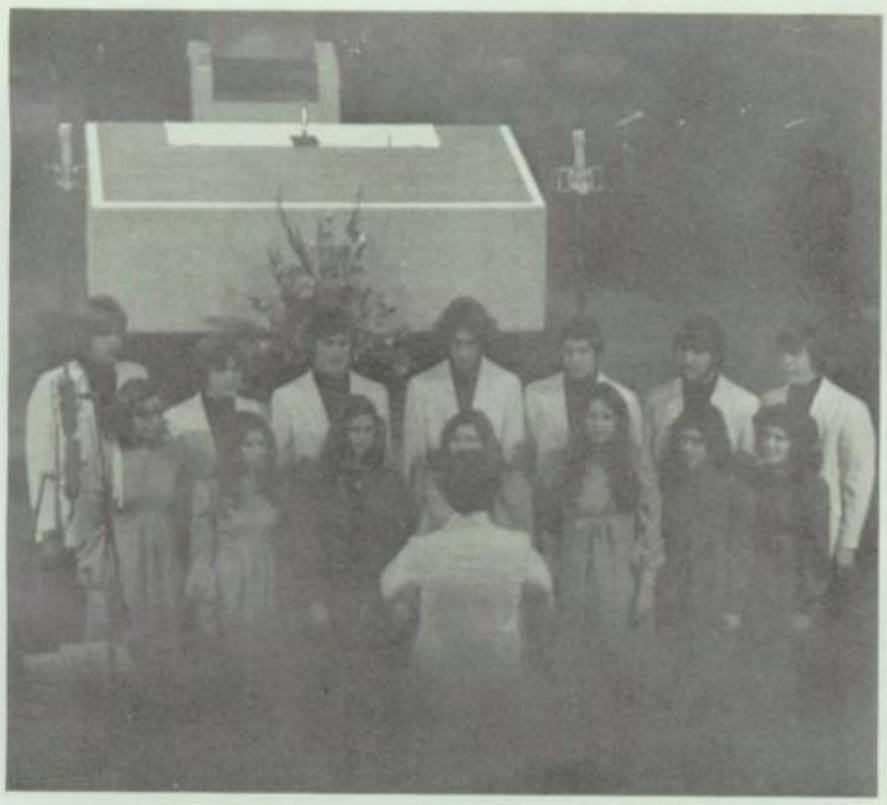
The Gonzaga Prep Glee Club, under the direction of Mr. Anton DeLateur has matured into an excellent group of professional sound.

The Glee Club presented in conjunction with Eastern Washington State's Symphonic and Chamber choirs, a presentation at Our Lady of Lourdes Roman Catholic Cathedral.

Highlighting the program was Gabrieli's "Gloria," a rarely performed sixteen voice work.

This spring the Glee Club ventured to the west coast on their annual spring tour to wrap up a superb year of entertaining good fun.

(Glee Club) Jim Gaston, David Bertis, Anthony Aikens, Dave Bosch, Guy Lorenzen, Paul MacDowell, Greg Presley, George Stachecki, John Swoboda, Jim Tebow, Terry Tombari, Pete Wilson, Bob Wrubleski, Jeff Ables, Brian Harsh, Pat Kelleher, Josh Kelly, Jim Mengert, Dave Mertens, Mike Moeser, Marty Palmer, Tom Simpson, Mark Tamblyn, Pete Anderson, Monty Bippes, Greg Brazda, Kent Kapstafer, Chris Kelly, Joe Kerst, Mike Kestell, John Moran, Geoff Presley, Neal Ressa, Joe Schroeder, Peter Welk, Doug Bethel, Steve Bosch, Tim Brislawn, Mike Cipolla, Mike Danielson, Tom Degrood, Doug Evans, John Fisher, Lonnie Gross, Dave Gumaer, Mike Hill, Paul Kachel, Mike Kraft, Paul Levernier, Bill Nielsen, Tom Patterson, Bill Reardon, Dave Reisenauer.



DANCES

This year the dance committee has continued their outstanding performance at the dances; taking people's money, supplying them with pizza and coke, and keeping order. Once again along with weekly dances, the dance committee decided to throw a big concert at the Coliseum. (Rare Earth, R.E.O., Speed Wagon, and One Shot Deal). But in a show of humility, the Dance Committee did not want it known that they were sponsoring the concert, so they went by A.M.D.G. Productions, Latin letters standing for Ad Maiorem Dei Gloriam, meaning: For the honor and glory of God.

CAR RAFFLE

Aiding in meeting the operational costs of this school was the car raffle which brought in a total income of over $16,000, with Room 79 bringing in an amazing 233% of their goal. Much credit must be given to the Green Machine, especially Frank Ross who sacrificed many hours for the car raffle. On the day of the drawing the Junior Miss of the State of Washington, Debbie Scholtz drew for the prizes. Also on that memorable afternoon the top salesman, Terry Tombari was recognized for his outstanding salesmanship.

1974 FOOD DRIVE

This year's food drive was a success with almost half of the food brought in on the last day. Both the food and money totals surpassed last year's and many families had a happier Thanksgiving because of it.

Each advisee group was put in charge of a certain number of families. Food was kept in the advisee group's room as well as in the B-Squad property room. A Knights of the Leash member was assigned to each room and a crew of Leash went around every night to weigh the food. Mr. Perley was the director of the drive.

For the first time since the advent of Mr. Delehanty, the drama department has had the benefit of a Drama Club. This year's club, the Tri-School Drama Club, was made up of: Mike Barber for Gonzaga, Erin Rooney for Marycliff, and Tracy Maher for Holy Names. Under the leadership of Mr. Delehanty the club helped in much of the preliminary planning of the plays.

The first play was"I Never Saw Another Butterfly." The play was a resounding success with two performances of standing room only crowds.

The second play, entitled "Grease" was a 50's musical. Presented in the spring, this play was a "Theatrical gem."

GONZAGA
UNIVERSITY

This year the (in)famous trio of Wessels, Bosch, and Leland led the Pep Club. Their plans for an organized club, with activities other than cheering at games, soon proved to be unfeasable, for the only time any members attended functions was at football and basketball games.

The Pep Club cheered at all games this year as in the past. The enthusiasm and spirit of the cheering by the Pep Club was highly contagious and at every game the number of people dilligently cheering rose. By the end of the year almost every upperclassmen and many students from the lowerclass were able to consider themselves members of the most spirited organization this school has seen for a long time, the 1974-75 Pep Club.

THE GREAT AUCTION

Much time and effort was placed on making the Great Auction a sucess. Numerous mothers of students along with alumni and friends assisted in checking the acquiring auctionable articles.

The Knights of the Leash, Pep Clubs from Holy Names and Marycliff along with the Cheerleaders helped to serve food and usher. After the items were auctioned and everyone had filed out of the gymn, this year's Great Auction had brought in approximately $70,000 which will go to meeting the operating cost of this school.

Fr. Hayes reflects on how well everything is going (right). Crowd inspects items at second annual Great Auction (above)

DEBATE

With only six varsity members of the debate team returning, recruiting was a major objective of this year's debate team. Besides the six seasoned veterans who were Ed Renourd, Dan Mertens, Steve Rothrock, Richard Keith, Bob Dow, and Tom Barbieri, the team also included Tim Thompson, Pete Kehoe, Steve Mayser, Mike Reilly, and Kevin Cronin. Sailing on his own in the Individual Interpretation of Marty Palmer.

The season started at the beginning of November and was expected to finish at the end of March. Besides the regular debate games, there were many numerous tournaments with the State Tournaments and finals in late March.

LETTERMEN'S CLUB

The Lettermen's Club numbered some thirty eight seniors and thirteen juniors under the direction of Mr. Faulkner. Presiding over the Lettermen was Terry Anderson, a letterman of football and basketball. Other Lettermen officers were Rob Ahlquist, veteran of four years of baseball and football; Brian Sweeney who has played in track, football and basketball; and Jeff Jones who, with experience in basketball and football, added much to the capabilities of the Lettermen's Club officers.

Proctoring and ushering at the pep cons was the dubious job of the Lettermen's Club.

KOL

Under the supervision of Mr. Paul Perley again this year, the Knights of the Leash were active in more than just representing the school. They again played a vital role in the Great Auction and the Thanksgiving food drive as well as expanding into community services. The Knights of the Leash this year consists of twenty Seniors and sixteen Juniors; the President is Tom Puhek and the Vice President is Terry Tombari. Thanks to the combined efforts of the summer car washes and the help of Mr. Tony DeLateur at the end of the last school year, all of the Leash finally have jackets.

LUIGIAN

The 1975 yearbook started off the year with the great leadership and guidance of Matt Bartmess, editor-in-chief of the Luigian. Having three years of experience Matt lead the yearbook staff through it's share of disillusioned, fatiguing and frustrated times, however all copy and pages were ready by deadline time.

The staff of editors were; Activities Editor - Jim Feehan; Photography Editor - Kelly Lordan; Faculty Editor-Ed Vetter; Class Editor - Mike Menard; and Sports Editor - Jim Adolfson. In addition to these sections there was one last division of the book, the most important section, Advertising. The head of this section was Kurt Dehmer.

Approximately fortyfive students turned out for the Luigian staff at the begining of the year. Five or ten of these dropped from the staff and the rest helped under many capacities such as selling Ads, researching copy, writing copy, assisting in making layouts, etc.

GONZAGAN

After a semester without a high school newpaper here at Prep, Mr. Schneider was named as moderator of the nationally acclaimed Gonzagan. Each month, a new issue of the newspaper rolled off the press. The Gonzagan served as a forum for student discussion expressing faculty and student viewpoints.

Editor-in-chiefs were Jim Feehan and Steve Cronin. These two, the only writers with any newspaper experience, headed a staff of promising though inexperienced journalists.

STUDENT COUNCIL

Under the leadership of Steve Higgins (Pres.), Terry Kelly (V.P.), and Frank Ross (Sec.-Treas.), the student council accomplished more on behalf of the students than in years past. Some of the noticeable successes included establishing a student council office for the needs of the students, organizing student exchange, working with the faculty in recruitment of seventh and eighth graders, and establishing committees to aid civic clubs and to find volunteers to represent Prep in different city organizations.

Larry,

I only had you in Physics but it was always fun sleeping in that class. I'll always remember you were the "Skipper's champion of the world! It was a very good year and I had lots of fun. Thanks for always helping me in math & well see you later. Have a nice summer & best wish you luck in your life. Thanks

Your friend

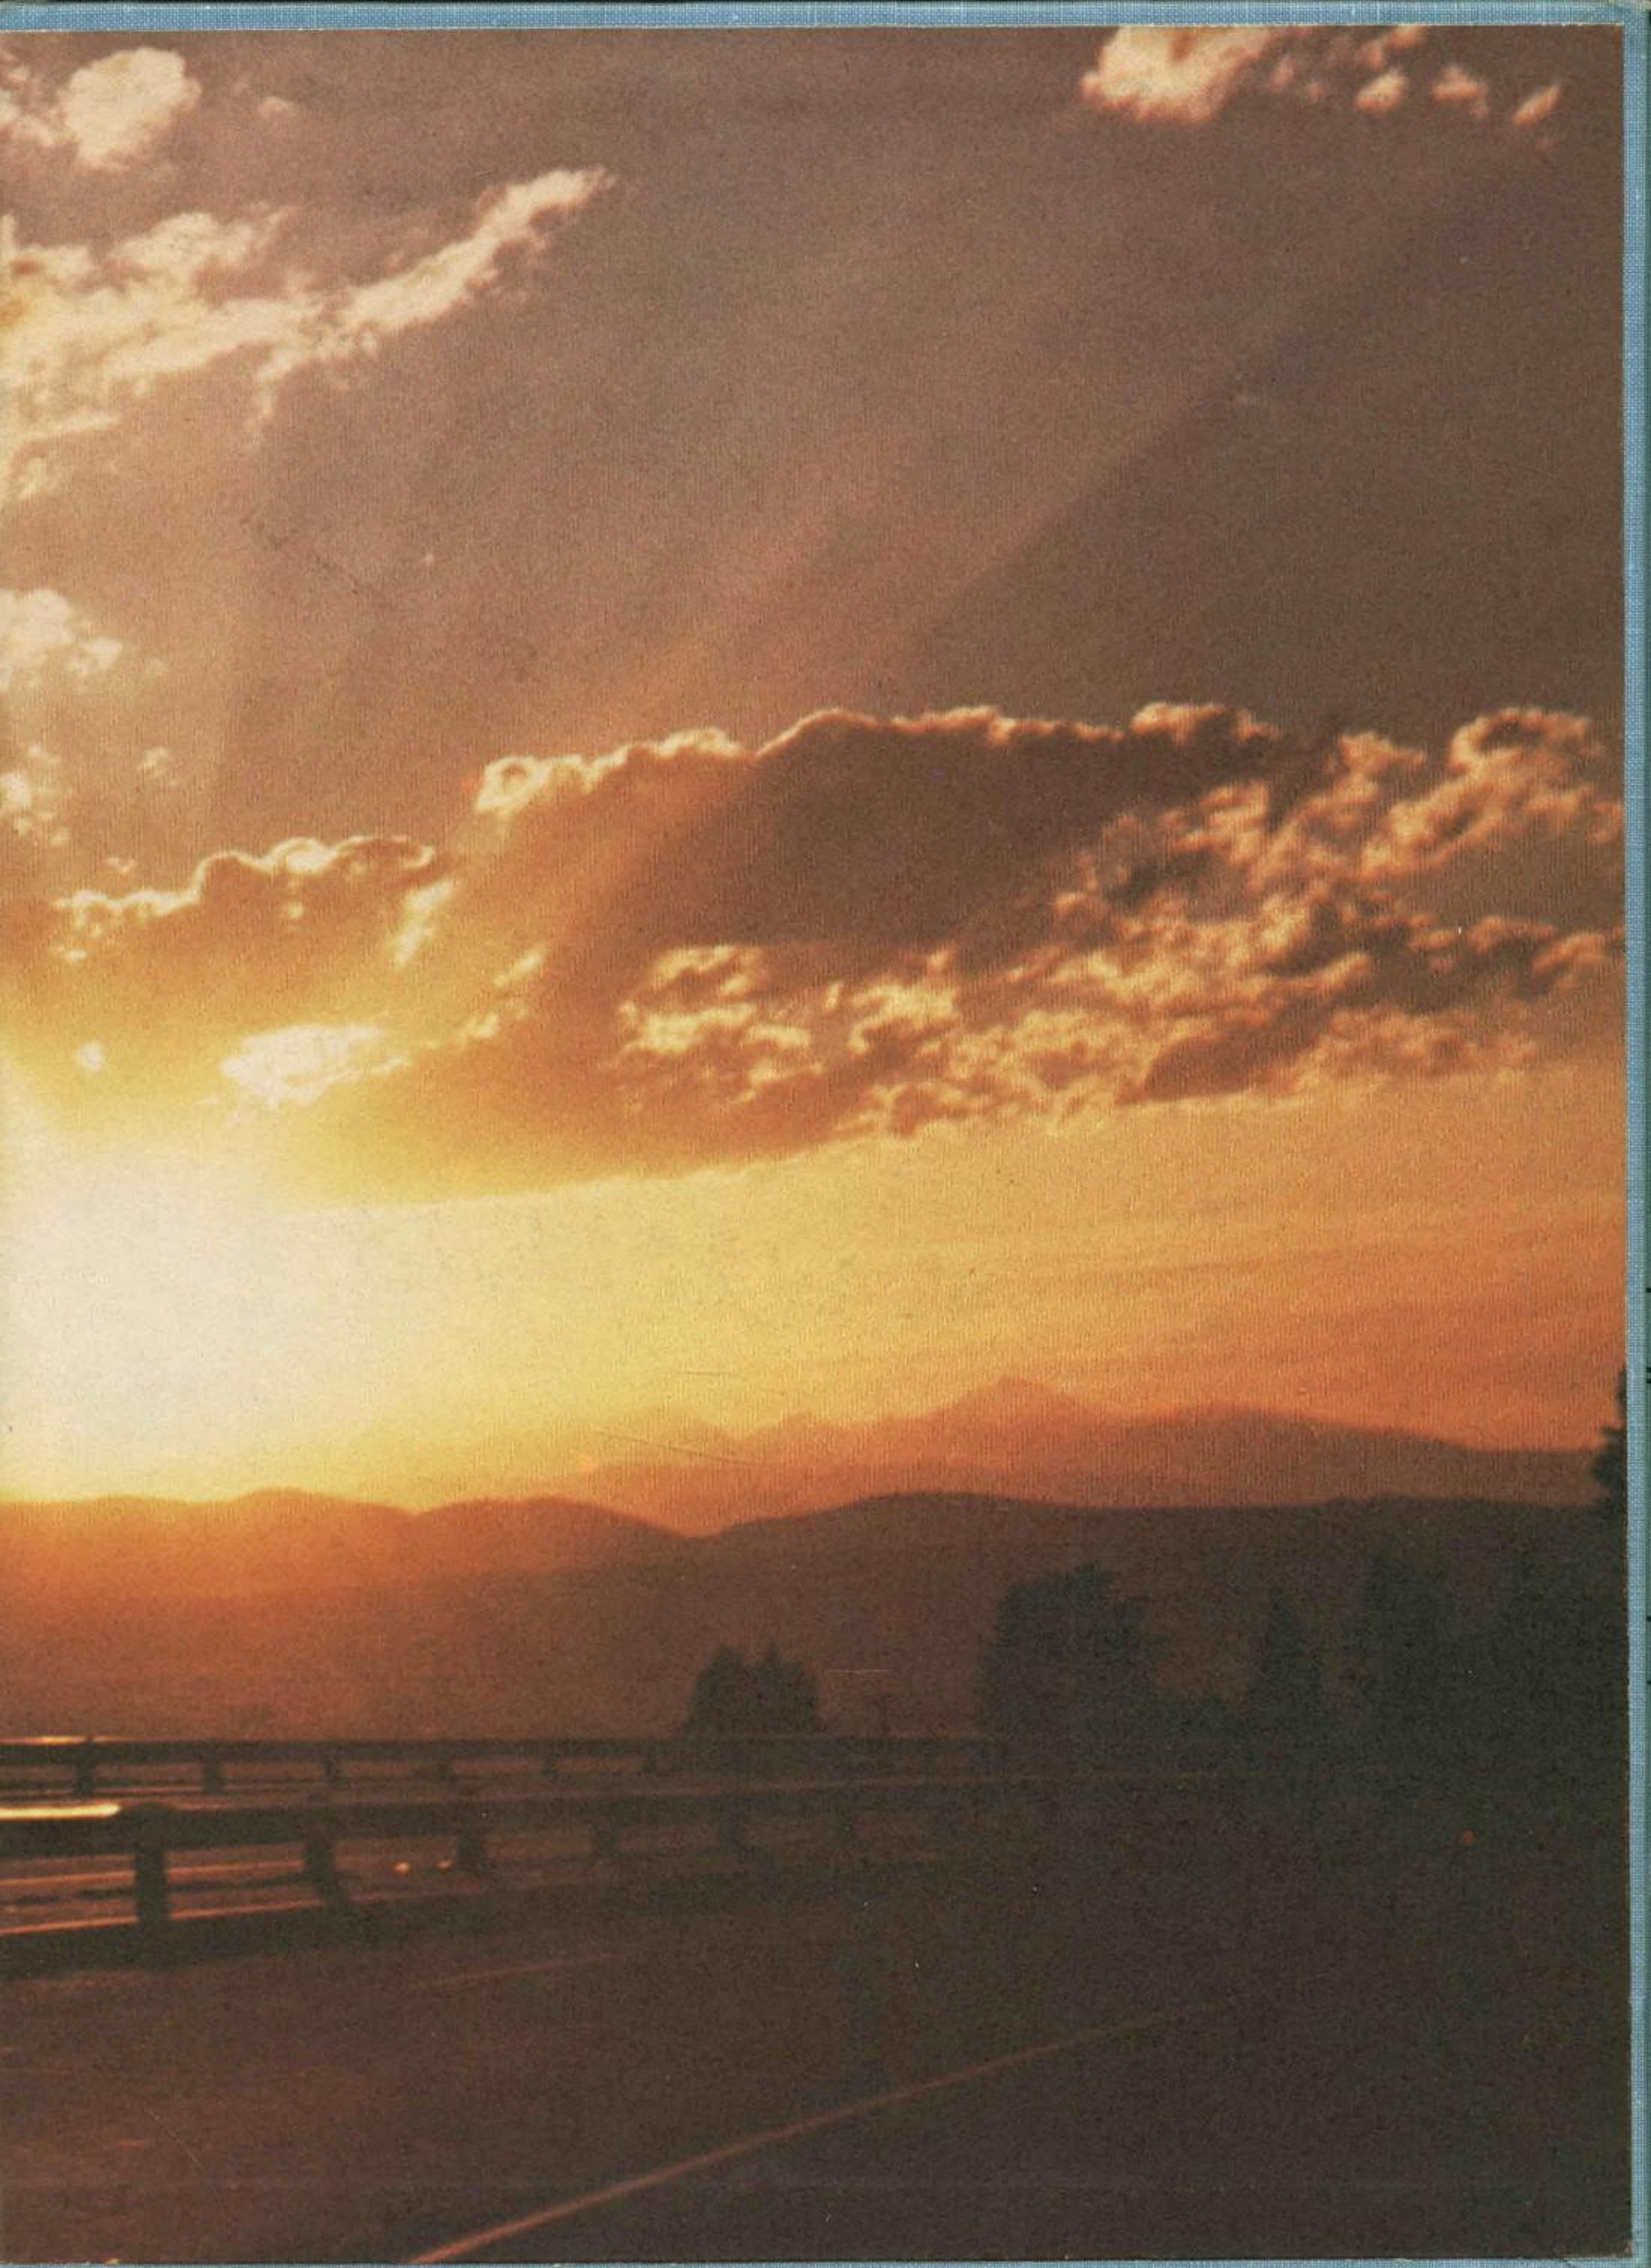
George Starbuck

Larry,

it's been a great four years, but it's finally over - just think - no more travelogues, or intramural games. I'm sure glad you were in a lot of my classes. I would've never made it through four years without you there to talk to. We had a lot of fun in Mcleod - Fudpucker and in our Latin classes and math classes. Well, you're a great guy Larry and I'm super glad that we got to be such good friends. Good Luck at Santa Clara next year - if you go there.

Maybe I'll see you out at the lake sometime this summer.

Have a happy Fudpucker,

You're good friend,


Bob Bosch
